Mitch Barrett

One of Kentucky's best singer/songwriters. The 2009 Telluride Troubadour, winner of the New Folk award in Kerrville, Texas; two time Merlefest Chris Austin winner; first place Rocky Mountain Folks Fest.

His sound is hard to classify, with some saying his genre is Appalachianfunkyrastafolksy-bluesman, but we'll say contemporary Appalachian, with a touch of Americana.

His music is hard to resist. Listen to Drop in the Bucket, Pearl, and other winners online at www.myspace.com/mitchbarrettmusic
